Intramurals

Intramurals at D.W. Poppy Secondary is a lunch time activity in which students and staff create their own team for the year to compete against other student teams in a number of sporting activities throughout the school year. Students from Grades 8-12 have the chance to make their own team of up to 12 players, which can include a max of 3 staff members. Sports that are played in Intramurals vary during the year, but we have included: Volleyball, Soccer, Tchouckball, Dodgeball, Basketball and Handball. Intramurals are a great way to get involved in your school, make new friends and most importantly...have fun. If you have any questions about Intramurals, don't hesitate to email Mr. Barry at kbarry@sd35.bc.ca
