	CARING FOR SCHOOL TECH	Take care of our school laptops and iPads! The library has noticed an increase in broken technology being brought in. Every time a laptop or iPad is returned with any of the following issues: missing keycaps, broken frames, screen display issues from being dropped or being exposed to liquids, Ms. Li and Mr. Mijo (My-Jo) have to fill out a ticket and send the tech to get fixed. This means there's less tech for everyone to use. Treat our tech better! Thank you.
